IP68

MIL-STD 810H Certified
MIL-STD-810H

- Supports *Android 14* for the latest key industrial apps, streamlining tasks for greater efficiency and speed

- *6.5" HD Touchscreen*, large enough for multiple apps and readable in sunlight, supports wet fingers/glove operation

- Engineered to meet *IP68* and *MIL-STD-810H* standards, ideal for professionals operating in the most rigorous environments

- Designed with *Thick Rubber Corner* protection to safeguard against drops

- *48MP HD Rear Camera* captures clear pictures and stable live videos in the field and transmits them to the command center in real-time for collaboration

- A large *5,000mAh* battery provides all-day power, eliminating the need to search for a charger at critical moments

- *Dedicated PTT Button*, guaranteeing seamless and continuous communication at all times
